Definitions

- "Number of Students Who Began the Program" means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
- "Students Available for Graduation" is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- "Number of On-time Graduates" is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- "On-time Completion Rate" is the number of on-time graduates divided by the number of students available for graduation.
- "150% Graduates" is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- "150% Completion Rate" is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- "Graduates Available for Employment" means the number of graduates minus the number of graduates unavailable for employment.
- "Graduates Unavailable for Employment" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
- "Graduates Employed in the Field" means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- "Placement Rate Employed in the Field" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- "Number of Graduates Taking Exam" is the number of graduates who took the first available exam in the reported calendar year.
- "First Available Exam Date" is the date for the first available exam after a student completed a program.
- "Passage Rate" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
- "Number Who Passed First Available Exam" is the number of graduates who took and passed the first available licensing exam after completing the program.
- "Salary" is as reported by graduate or graduate's employer.
- "No Salary Information Reported" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

The program in which you are enrolling is distance education-not offered in real time. The institution will transmit the first lesson and materials to you no later than seven days after the execution of this enrollment agreement (aka the start date of the program listed on your enrollment agreement).

If Springboard transmits the balance of the material as the student requests, Springboard shall remain obligated to provide the other educational services it agreed to provide, such as responses to student inquiries, student and faculty interaction, and evaluation and comment on lessons submitted by the student.

You have the right to cancel this enrollment agreement and receive a full refund, up to seven days after the start of the cohort

In order to cancel, you must send an email to support@springboard.com. Cancellation is effective on the date your email is sent successfully. Refunds will be paid within 45 calendar days of cancellation.

WITHDRAWAL FROM THE PROGRAM

You may withdraw from the school after the cancellation period described above, and receive a pro rata refund. In order to request a withdrawal, you must send an email to support@springboard.com

The amount owed by the student equals the monthly tuition amount multiplied by the number of months the student has been enrolled in the course, plus any non-refundable fees.(including the hours included in any lessons already sent to the student).

Students that have completed more than 2/3 (66.7%) of the period of attendance or length of the course in days at the time of withdrawal are not eligible for a refund and are deemed to owe 100% of tuition.

Withdrawal will result in immediate loss of access to all program materials, mentors, and support services. However, students that were not eligible for a refund due to withdrawal after passing 66.7% of time in course as measured by days, will continue to retain access to the course curriculum until such time the course is discontinued by Springboard.

For distance education students scheduled days are based on a five-day week, which do not include Saturdays or Sundays, or any defined holiday as enumerated in Section 6700 of the California Government Code (specific holidays published in the catalog).

Upfront payment students will receive a refund, if due, to their method of payment, monthly installment plan students will have all future payments canceled and any refund due submitted back in the same manner received, and Deferred Tuition and Financed Loan students will have their outstanding loan balance prorated to match the amount of tuition owed at withdrawal.

If any portion of the tuition was paid from the proceeds of a loan or third party, the refund shall be sent to the lender, third party or, if appropriate, to the state or federal agency that guaranteed or reinsured the loan. If the student has received federal student financial aid funds, the student is entitled to a refund of money not paid from federal student financial aid program funds. Springboard does not participate in Title IV financial aid programs.

Note - Prep and intro courses are not eligible for pro-rata refund and are not governed by BPPE regulation.

Software Engineering Prep short-term program is designed to be completed within 6 weeks. Payment for the program is due in full on the first day of instruction and no refund will be provided to a student who does not complete the program. Springboard provides the full program curriculum no later than day one of the program.
